## About us

The Fortune company showcases a range of investment options across India on an interactive platform. New India has become the world's top investment destination.

**"As part of its efforts to make doing business easier, the Fortune companies connects investors to project promoters across India."**

Fortune companies is the world's most awarded investment promotion agency and a facilitator, advisor, and guide for investors looking to invest in India. From the moment you begin exploring India as an investment destination, we are your first point of contact for your journey in the most liberal investment destination in the world.

We are a Delhi-based company, specializing in business planning, organizational structuring and financial planning. We help entrepreneurs with every aspect of their business and also guide them through the path of entrepreneurship.

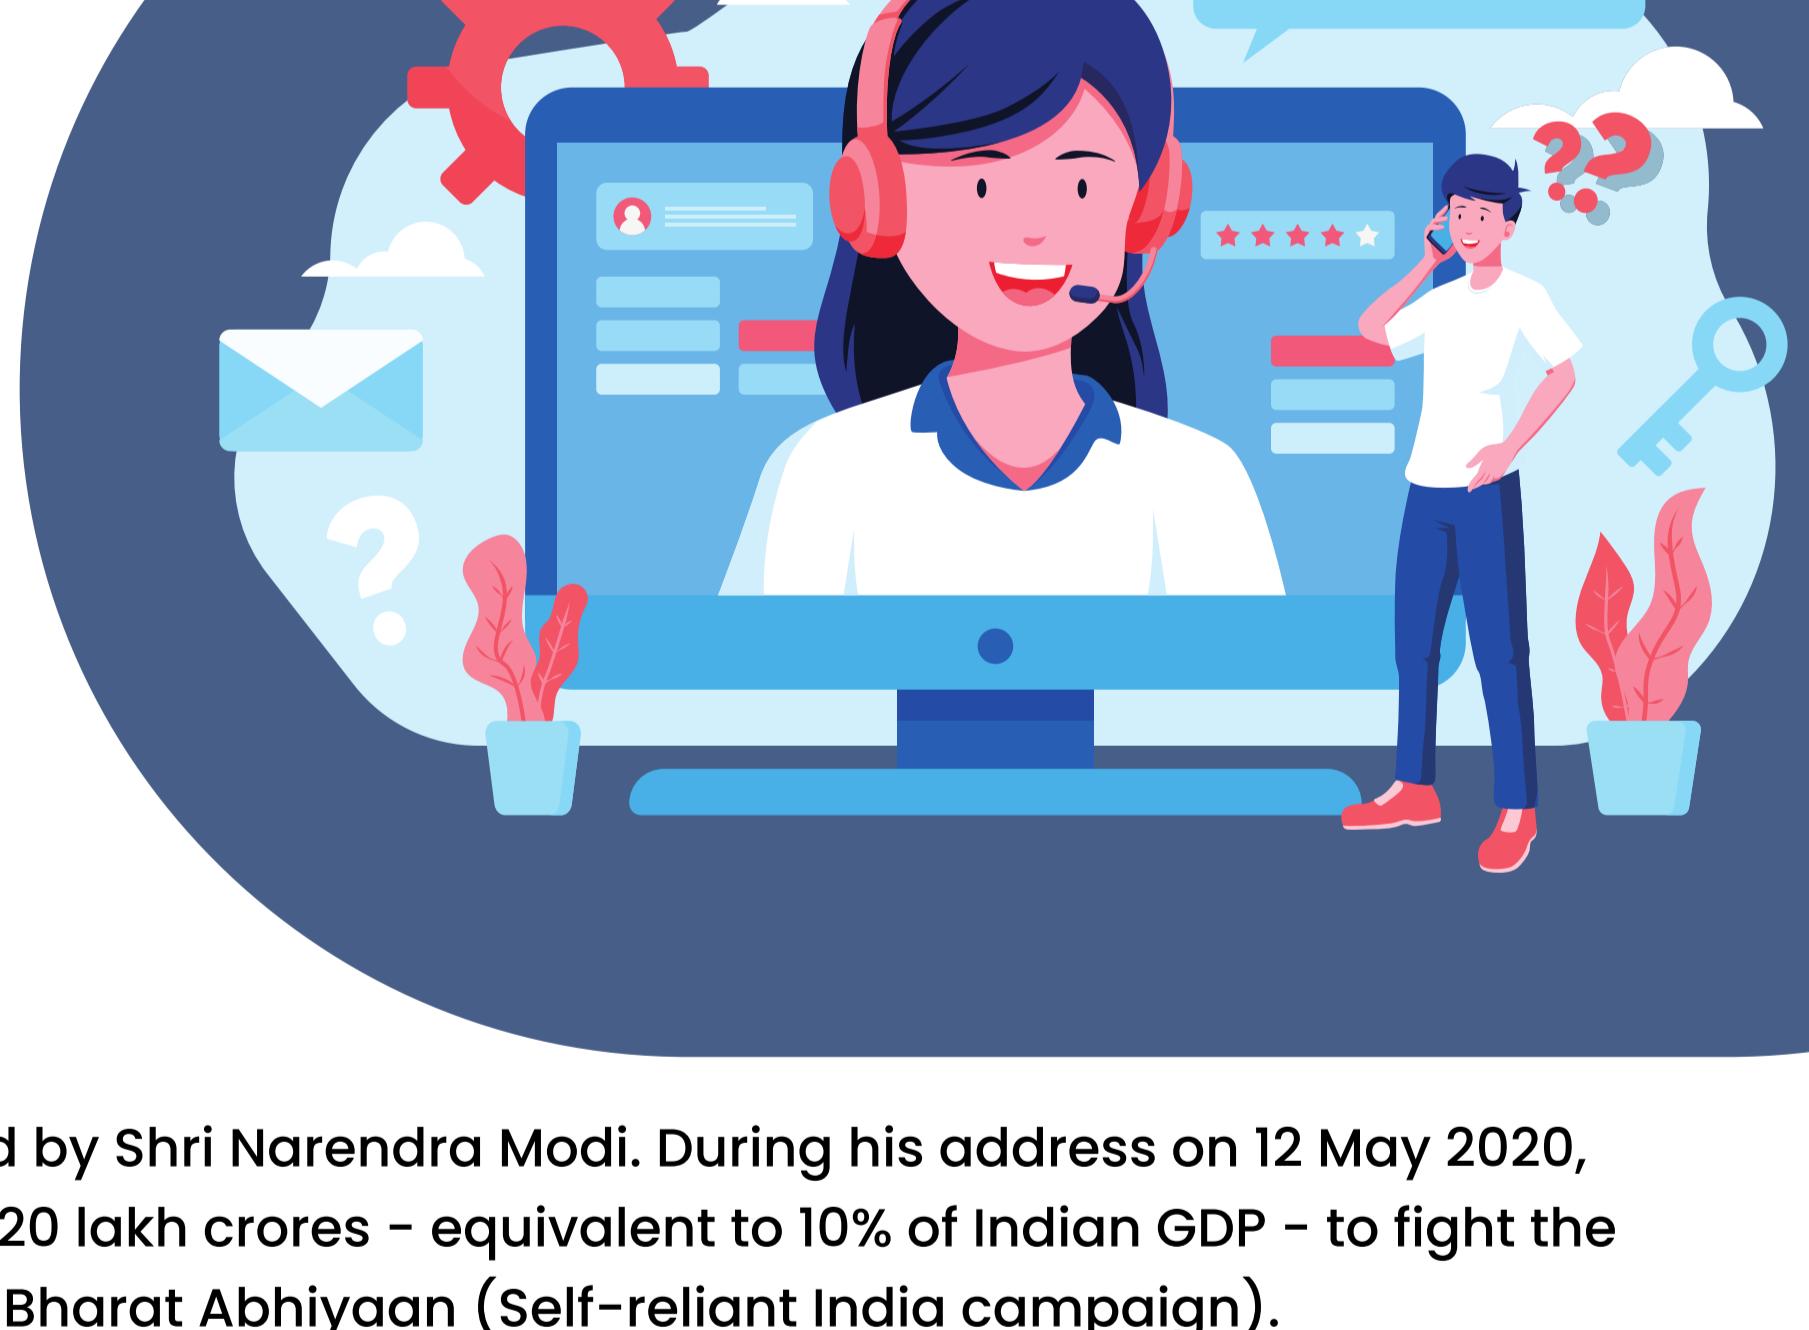

We're a team of over 100 people handpicked by our founders, who are themselves the best in their class - with connections and experience who can save you the recruiting groundwork. Hire top business professionals from our carefully curated pool at better rates than hiring straight from the universities.

## Services

The services provided by a Fortune Companies startup india to help startups get projects and guidance,

Providing equity-free grants of up to INR 5,00,000 and support for incubation to green startups

Covid programs for start ups with free grants upto 4,00,000

The Self-Reliant India campaign is the vision of a new India envisioned by Shri Narendra Modi. During his address on 12 May 2020, our Prime Minister announced a special economic package worth Rs. 20 lakh crores - equivalent to 10% of Indian GDP - to fight the COVID-19 pandemic in India, and gave a kickstart to the Atmanirbhar Bharat Abhiyaan (Self-reliant India campaign).

He also outlined five pillars of Aatma Nirbhar Bharat – Economy, Infrastructure, System, Vibrant Demography and Demand – as the goal of achieving complete independence and self-reliance. Under the Aatmanirbhar Bharat Abhiyaan, the Finance Minister also announced Government Reforms and Enablers across seven sectors. In addition to Supply Chain Reforms for Agriculture, Rational Tax Systems, Simple and Clear Laws, Capable Human Resources, and Strong Financial Systems, the government took several bold reforms

- Economy
- Infrastructure
- Systems
- Demography
- Demand
